SIGHTS · KIATO & SIKYONIA

Agios Thodoras, Psari

One of the historic churches of mountainous Psari, set in the heart of a traditional wine-growing village that spreads across altitudes of 650–850 metres and is renowned for its Agiorgitiko wine. Closely bound to the life and worship of the community, the church offers visitors a peaceful pause amid the mountain landscape of Corinthia, surrounded by vineyards and clear upland air.
