Kiato Seafront Walk

A relaxed, completely flat stroll along Kiato’s seafront. Starting from the port, the promenade follows the coast past cafés, tavernas and the organised beach, with open views over the Gulf of Corinth and, on clear days, the mountains of Roumeli across the water.

It’s the perfect route for a morning or evening walk, a run or an easy bike ride — suitable for all ages and buggy-friendly. Stop for a coffee on the beach or watch the sunset by the sea.

Start: Kiato port · **Finish:** eastern end of the beach.
